Trivia Question Two

Who can tell me a way in which the ACA has expanded access to private health insurance?

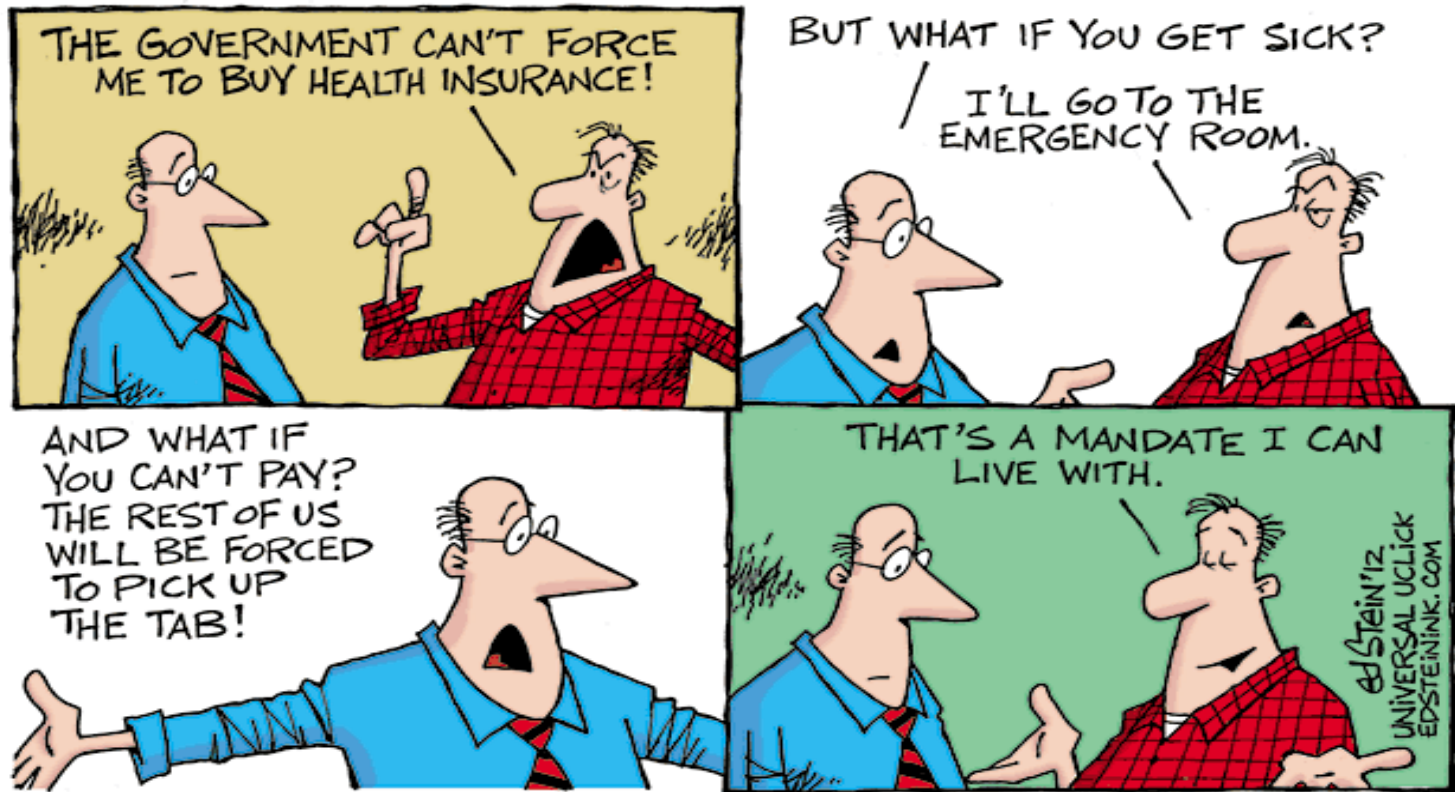

Jennifer Hudson and the ACA

Trivia Question Three

The ACA hasn't been implemented without a fight. There have been many court challenges around a broad range of issues.

Who can tell me one of the major ACA court challenges, what it was about, and what the court said?

Challenge to the Individual Mandate

Individual Mandate only narrowly upheld by
SCOTUS

Undercutting Medicaid Expansion

Southern States Continue to Refuse to Enact Medicaid Expansion

Hobby Lobby (SCOTUS)

Closely held corporations have more rights than women when it comes to access to birth control

Halbig (DC Circuit)

A three-judge panel of the US Court of Appeals for DC recently ruled:
the ACA only allows for subsidies in state-established exchanges;
subsidies in federal exchanges are illegal

Thankfully the full Court will re-hear the case in December

Trivia Question Four

And finally, many people living with HIV are confronting major challenges with their new marketplace health insurance. Can you name a major challenge and describe why it is happening?
